NO NEED TO BOOK come on first come first serve basis

BRING YOUR OWN FACE MASK AND GLOVES.

The Re-opening of our two Parish Churches for public Masses.

Our first weekend Masses have now taken place with an amazing outside Mass at Annunciation Church in Netley last Sunday afternoon which was very well attended and everyone had lovely beaming smiles by the end of Mass, a real joy to see everyone so happy.

We still have a number of weekend Masses at St Patrick's where there are currently no bookings, or with fewer than five persons booked. Please do let us know if you wish to attend a weekend Mass at St

Patrick's ASAP otherwise I may have to reduce the Mass provision for St Patrick's during August and September.

I want to personally say a huge thank you to all those involved with the reopening of both our parish churches and responded to my call for help in doing this. The truth is we would not be having any public masses if these people had not stepped forward to help with the organization of it all. Huge amounts of work have gone on behind the scenes to do this, from rearranging the churches, completing risk assessments, training stewards up, organizing rotas etc etc. Thank you! We still need more volunteers stepping up to the plate to help with this. Please let me know if you are able to help with this.

Revised Sunday Mass schedule starting in August

Saturday Vigil Mass St Patrick's 6pm (unchanged) 40 persons

Sunday morning Mass St Patrick's 11am (unchanged) 40 persons

Sunday afternoon mass Annunciation Church 2.30pm during August and early September (changed from 9am) 30 persons
PLEASE BRING A SUN HAT/UMBRELLA

BOOKING a place at a weekend mass is required, please see newsletter or website for details

The wearing of face masks in church is a legal requirement. Please do bring your own if you are able too.

I want to highlight once again that on Sunday 16th August we celebrate the Solemnity of the Blessed Virgin Mary (transferred from the 15th) which nicely coincides with our outdoor masses in the grounds of The Annunciation Church, Netley. So at the end of this Mass we are offering a socially distanced get together in the grounds of the church for those who would like to stay behind and have a chat and socialize safely to celebrate this Solemnity.

Outside gatherings are still limited to 30 people so this is only open to those who have booked a place at that particular Mass. We currently have some free places at this mass so if you have not already booked for this Mass and would like to come to it and the social afterwards please let us know ASAP.

We are not permitted at this time to use the kitchen or to have our toilets in use. So please bring your own flask of tea and you own refreshments and take any rubbish home with you after. **Please bring your own chair if you can and remember your sun hat/umbrella.**

God bless you all, Fr Ross.

Fr Ross writes...

One of my favourite hymns is '*Dear Lord and Father of mankind, forgive our foolish ways...*' The tune for this hymn was composed by Sir Hubert Parry one of the finest Church musicians of the 19th Century. I remember well when I was a chorister at Newport Minster on the Isle of Wight singing the penultimate line of that hymn with much gusto as the Organist and Choir Mistress Miss K Lower would pull out all the stops on the magnificent three manual Harrison and Harrison Organ to a loud crescendo to exentuate the words earthquake, wind and fire and then a diminendo to a very soft '*O still small voice of calm.*'

The words for this famous hymn are partly based on our first reading at Mass today from the First Book of Kings. Elijah was up on Mount Horeb sheltering in a cave when he is told to go out and stand before the Lord. But

the Lord was not in the earthquake, the wind, or the fire, but in that still small voice of calm, or as the NRSV Bible translates it '*a sound of sheer silence*'. God is present in the sheer sound of the SILENCE!

Silence, what an impact it has upon us! I don't know about you but the silence of the outside world during the lockdown was striking, particularly for those of us who live in built up areas or indeed on the main Portsmouth Road. Silence was to be had everywhere and during this time the sheer silence was only broken by the singing of birds or trains going past on the Woolston line, neither of which is usually heard in and around the presbytery during normal times.

Then there was the fear that silence brought during lockdown because it filled our minds with distractions and anxieties over the pandemic and what would happen next. Elijah knew that it is only in our surrender to the silence that we can hear the voice of God, the voice of peace.

Sadly, many of us today with the aid of popular culture and social media block out the silence. There is almost a fear of what silence may bring us. It is said today of many city dwellers that the only time they encounter silence is just before they fall asleep lying on their bed and it is then that they encounter who they really are and what they are before God. You encounter God in the silence, in the quiet and for many that can be uncomfortable because you are confronted with yourself and who you really are and that can be frightening and challenging.

St. Theresa of Calcutta, a woman who in her life suffered with many spiritual anxieties and doubts, would often say: "*We need to find God and he cannot be found in noise and restlessness. God is a friend of silence. The more we engage in silent prayer, the more we can give in our active life. The essential thing is not what we say but what God says to us and what he says through us.*"

Did you encounter God in the silence of lockdown?

Resumption of the Sacrament of Reconciliation (Confession)

I hope to be able to offer the Sacrament of Reconciliation (Confession) at the usual published times from Friday 14th August (weather permitting). Since neither Church has a proper Confessional with a secure screen and separate entrance and exit points for both priest and penitent, I will have to hear confessions outside in the grounds of the Church with a temporary screen in place. I hope to restore the original confessional in St Patrick's Church before the end of summer.

If you have an urgent need for the Sacrament of Reconciliation in the meantime, please contact the Parish Office.

Usual times of Confessions from Friday 14th August
Friday 1800-1840 – St Patrick's Church
Saturday 1700-1740 – St Patrick's Church

God bless
Fr Ross

A Socially Distanced 'Get Together' for the Solemnity of the Assumption

On Sunday 16th August we celebrate the Solemnity of the Blessed Virgin Mary (transferred from the 15th) which nicely coincides with our outdoor Masses in the grounds of The Annunciation Church Netley. So at the end of this Mass we are offering a socially distanced get together in the grounds of the church for those who would like to stay behind and have a chat and socialise safely to celebrate this Solemnity.

Support of the Church

Our two churches like other charitable institutions are losing vital income at this time through the loss of revenue from our weekly collections, hall bookings and fundraising activities now that the churches are closed.

St Patrick's Church has been particularly hard hit by this and is currently losing around 60% of its monthly income via the plate collection, hall hire and other fund raising activities. St Patrick's outgoings are still higher than what we have coming in via Standing Orders as we still have to pay our monthly loan repayments to the diocese (one for the tower repairs and one for a historic loan taken out some years ago) and we also have to pay the dreaded Diocesan Levy, which currently is set at 25% of our yearly income based on last year's total income to the parish. So we are as a result getting ourselves more and more into debt by around £1400 per month. We are of course not the only parish church or charity to be in this situation, but I want you to be aware of this issue as we move to have the St Patrick's Parish Accounts published later in the year.

A huge thank you to those who recently signed up to give via Standing Order to our two parishes and also to those who have increased their giving via Standing Order, it really is greatly appreciated. If you currently give cash via the collection plate in church and are still in a position to do so, why not consider giving by Standing Order on a weekly or monthly basis. This is now very easy to do if you have Internet Banking or a Banking App on your smart phone.

Please do remember the Church financially during these difficult times if you are able to. Cheques to the parish office are also an option, but state clearly what they are for on the back and use the payee details below.

SETTING UP A STANDING ORDER

To set up a standing order you will need the following account details depending on which Church you wish to contribute to and also for what purpose; **so the reference is important.**

You must put your name followed by **COLLECTION** (for your usual weekly collection), **SECOND COLLECTION** for the second collection as stated in the newsletter followed by which second collection eg CAFOD, or **DONATION** (to make a one off Donation).

NETLEY – THE ANNUNCIATION

Sort Code: **30-93.04**

Account Number: **00882888**

Account Name: **PRCDTR NETLEY THE ANNUNCIATION**

As a reference put your name followed by 'MASS' or 'COLLECTION' or 'SECOND COLLECTION' or 'DONATION'

SOUTHAMPTON – ST PATRICK

Sort Code: **30-93-04**

Account number: **00888665**

Account Name: **PRCDTR SOUTHAMPTON ST PATRICK**

As a reference put your name followed by 'MASS' or 'COLLECTION' or 'SECOND COLLECTION' or 'DONATION'

Please be aware of scams and remember we would never contact you directly asking for your account details or passwords.

As per Government Guidelines all attendees for Mass MUST:

- Wear a mask
- Sanitise hands going into and out of church
- Take communion in the hand
- Keep 1+metre apart (seats arranged at appropriate distance **DO NOT MOVE THEM**)
- Give your name and telephone number to the steward for Track and Trace.

IMPORTANT PARISH UPDATE

All our Parish Staff have been put on Furlough by the Diocese along with the majority of the Diocesan Staff on the Government Furlough Scheme since the lockdown began. However, the way in which this scheme operates changed from the 1st July allowing the flexibility for employers to bring their staff back on part-time hours if they wish as we begin to recover from lockdown.

From August Marion Patient (our two parishes secretary) will be back on her usual hours. Niel and Mika will remain on reduced hours (with the government paying the rest of their salaries) as we await more of our usual Hall Hirers to return from September.

It is a great relief to me having worked flat out during this lockdown period with limited admin support or diocesan support during what became an extremely busy, isolated and difficult period dealing with complex pastoral needs and situations, not only in our two parishes but also further afield.

Thank you to everyone for your patience during this time of isolation and pandemic and for all of you who have written such kind and supportive words in the various letters, emails and cards I received during lockdown. Let us hope and pray that this never happens again. As I keep saying to people, I don't think I want to live through another pandemic.

God bless

Fr Ross.

Mass-by-Phone

Mass by phone from Middlesbrough diocese allows you to listen to Mass by telephone. Mass is recorded every Sunday at St. Mary's Cathedral and remains available all week.

The number to call is an ordinary geographic 'landline' number, 01642 130120. Calls are charged at normal rates and free if in your included minutes.

THE DIOCESAN PRAYER AND LISTENING SERVICE

Prayer and listening to God is a vital part of our everyday life, but sometimes it is difficult to pray when we are exhausted or in stressful situations or by ourselves. The diocese has created a team with experience in both praying with others and in spiritual listening, all of the volunteers are trained in this service and have been through the essential safeguarding training and other requirements.

They are offering a service where people fill in a short form on the diocese website requesting a phone call of 10—15 minutes usually.

Additionally, they are asking key workers if they would like to give them their name and work place and we will pray for them by name each day. Please go to the home page of the diocese website and under "Coronavirus" you can click on a box called "Prayer Support". For more information, email Clare Simpson on csimpson@portsmouthdiocese.org.uk or Website <https://www.portsmouthdiocese.org.uk/prayer-support>

Spiritual aspects as home

- Create a 'sacred space' (crucifix, statue, bible etc) to focus prayer
- Read all or some of the **Sunday scripture readings** (obtain 'Magnificat' booklet OR access 'Universalis' on line at <https://us.magnificat.net/free>)
- Recite the Rosary

First Holy Communion Programme and the next stages

All of those who are on our current First Holy Communion Programmes have been contacted by Angela, Emily, Kat, Lana and Fr Ross as to the best way we can move forward and complete those two programmes and for those who are on those programmes to receive their First Holy Communion.

As a Pastoral Area and in discussions with all the Clergy we have decided that from now on our First Holy Communion preparation will begin for children in YEAR FOUR. This allows us the time to complete the current programmes and for those on them to receive their Holy Communion before accepting a new cohort of children.

Details of when a new First Holy Communion programme begins and how to apply will appear in the coming months, so keep an eye on the newsletter and the parish web site.

We still need volunteers to help with the running of these programmes and we cannot offer these programmes unless we get more volunteers stepping up to the plate to help. So please have a think about helping out with the running of the FHC Programme. We currently have a number of roles that need to be filled for these programmes to run in future, they don't all involve teaching, have a look and contact the Parish Office if willing to help!

GO ON BE A 'CAN DO' CATHOLIC RATHER THAN A 'CAN'T DO' OR A 'WON'T DO' CATHOLIC.

Roles to be filled include:

Administration; registration, email contact, resources – payment of.

Accompanying support; welcoming parents at sessions, refreshments.

Supporting catechist sessions both for parents and children

Catechists – both parents and children (training will be given = Catechist Certificate).

Well this week has been very interesting and disruptive! Apart from being very hot I am most disturbed at all the chaos going on in my garden.

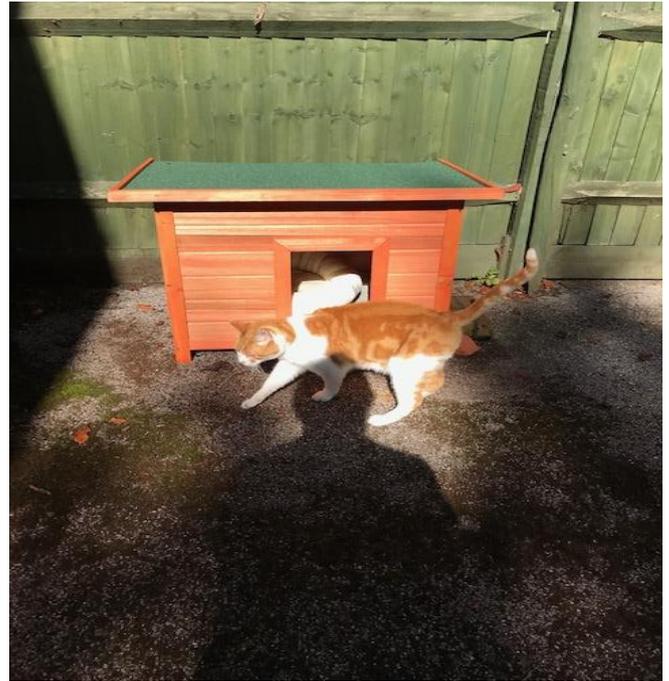

New fencing is being put up and as I said last week my old shed is being demolished. The men arrived this week and boy are they noisy. Fr Ross has moved my food which I am not happy about as I am not used to it being in a different place - I have been stomping around with a very grumpy face. Then to cap it all Marion was trying to take a photograph of me with the grumps!!

On the brighter side of things now the fence is down between the school and the garden I have a lovely view of a new area to explore.

As promised here are some photographs of my new "paw hut" I have ventured over to it and had a sniff around but haven't yet moved out of my old residence. My new bed looks comfy but I think I will wait until I am completely evicted from the shed before actually sleeping in it. Fr Ross says if I don't go in it I will be 'sleeping rough' Today (Friday) I did go in and have a look round but that's as far as it got. (could be because there were some treats in there!)

More stories of my life next week

Getting closer to have a peak!

My new home ; it is rather grand isn't it?

and here's my bed - looks comfy
